## Upcoming Fiction Highlights...

**Red String Theory**  
by Lauren Kung-Jessen

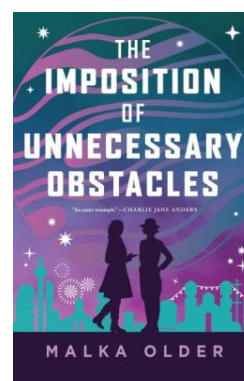

"In this charming rom-com about two star-crossed lovers, a woman whose life is guided by her belief in the red-string-of-fate finds her perfect match—but his skepticism about true love puts a knot in their chances."

**How We Named the Stars**

by Andrés N. Ordorica

"A debut novel of love, heartache, redemption, and learning to honor the dead; a story of finding the strength to figure out who you are—and who you could be—if only the world would let you."

**The Imposition of Unnecessary Obstacles**  
by Malka Older

"Investigator Mossa and Scholar Pleiti reunite to solve a new mystery in the follow-up to the cozy space-opera detective mystery *The Mimicking of Known Successes*."

# February 2024 Nonfiction Titles

## ***The Allure of the Multiverse***

by Paul Halpern

“Physicist Paul Halpern examines the theory of the universe we can't seem to let go; in an infinite universe, finite components are bound to repeat their patterns again and again.”

## ***Black TV: Five Decades of Groundbreaking Television from Soul Train to Black-ish and Beyond***

by Bethonie Butler

“With iconic imagery and engrossing text, Black TV is the first book of its kind to celebrate the groundbreaking, influential, and often under-appreciated shows centered on Black people and their experiences from the last fifty years.”
