New Fiction Highlights...

The Stargazer's Sister

by Carrie Brown

"A compelling story that interweaves familial collaboration and conflict with a haunting exploration of the sublime beauty of astronomy and our small but essential place within a vast and astonishing cosmos."

Where My Heart Used to Beat

by Sebastian Faulks

"Profoundly affecting and masterfully told, *Where My Heart Used to Beat* sweeps through the 20th century, brilliantly interrogating the darkest corners of the human mind and bearing tender witness to the abiding strength of love."

The Man without a Shadow

by Joyce Carol Oates

"In 1965, neuroscientist Margot Sharpe meets Elihu Hoopes: the 'man without a shadow,' who will be known, in time, as the most-studied and most famous amnesiac in history."
