Upcoming Fiction Highlights...

Bright Objects by Ruby Todd

"A young widow grapples with the arrival of a once-in-a-lifetime comet and its tumultuous consequences, in a debut novel that blends mystery, astronomy, and romance, perfect for fans of Emma Cline's *The Girls* and Ottessa Moshfegh's *Death in Her Hands*."

Toward Eternity by Anton Hur

"A gorgeous, thought-provoking novel that challenges the notion of what makes us human—and how love survives even the end of that humanity."

Tell It to Me Singing By Tita Ramirez

"A Cuban American family is sent into a tailspin when the ailing matriarch confesses the first of several shocking secrets to her daughter before undergoing heart surgery in this tender and twisty debut novel."

July 2024 Nonfiction Titles

**Deep Water:
The World in
the Ocean**
by James Bradley

"Deep Water is both a lyrically written personal meditation and an intriguing wide-ranging reported epic that reckons with our complex connection to the seas. It is a story shaped by tidal movements and deep currents, lit by the insights of philosophers, scientists, artists and other great minds."

**The Secret Lives of
Numbers: A Hidden
History of Math's
Unsung Trailblazers**
by Kate Kitagawa, Timothy Revell

"A new history of mathematics focusing on the marginalized voices who propelled the discipline, spanning six continents and thousands of years of untold stories..... In *The Secret Lives of Numbers*, renowned math historian Kate Kitagawa and journalist Timothy Revell make the case that the history of math is infinitely deeper, broader, and richer than the narrative we think we know."
