Upcoming Fiction Highlights...

Sparks Like Stars
by **Nadia Hashimi**

"Bold, illuminating, heartbreaking, yet hopeful, *Sparks Like Stars* is a story of home - of America and Afghanistan, tragedy and survival, reinvention and remembrance."

Klara and the Sun
by **Kazuo Ishiguro**

"Nobel Prize winner Kazuo Ishiguro looks at our rapidly changing modern world through the eyes of an unforgettable narrator to explore a fundamental question: what does it mean to love?"

The Lamplighters
by **Emma Stonex**

"Inspired by a haunting true story, a gorgeous and atmospheric novel about the mysterious disappearance of three lighthouse keepers from a remote tower miles from the Cornish coast - and about the wives who were left behind."

Debut Author Spotlight: Gabriela Garcia

Garcia's first novel, **Of Women and Salt**, is official described as "a sweeping, masterful debut about a daughter's fateful choice, a mother motivated by her own past, and a family legacy that begins in Cuba before either of them were born." The story explores "a kaleidoscopic portrait of betrayals - personal and political, self-inflicted and those done by others - that have shaped the lives of these extraordinary women."
