Upcoming Fiction Highlights...

The Academy
by Elin Hilderbrand
“Hilderbrand’s fresh, buzzy take on boarding school life, and a thrilling new direction from one of America’s most satisfying and popular storytellers.”

The Elements
by John Boyne
“A gripping and profound exploration of guilt, blame, trauma, and the human capacity for redemption”

What We Can Know
by Ian McEwan
“A love story about both people and the words they leave behind, a literary detective story which reclaims the present from our sense of looming catastrophe and imagines a future world where all is not quite lost.”

September 2025 Nonfiction Titles

All the Way to the River

by Elizabeth Gilbert

"A landmark memoir that will resonate with anyone who has ever been captive to love—or to any other passion, substance, or craving – and who yearns, at long last, for liberation.."

The Shape of Wonder

by Alan Lightman
and Martin Rees

"In this captivating, insightful book, acclaimed physicists Alan Lightman and Martin Rees illuminate the life and work of numerous scientists in order to demystify the scientific process and show that scientists are concerned citizens, just like the rest of us."
